Contact to see about name change to remove Big Data Analytics??
Good to move to the agenda
Still on hold.
Waiting for Dean approval
Good to go forward to agenda for existing students and will come back with admission requirements for external students at a later date.
Moved to agenda
Changed to start in Spring 2018
Headed downtown to see viability in a procedural way. Will still need to go through the GPCC approval process once viability determined.
On hold until we hear back about viability.
Moved to agenda next week
Moved to agenda/Dates for start will be changed
UG version of similar course/not crosslisted?
