CHEM 6420, 6430, 6440

- Moved to Next Week Agenda for second reading
- Course Correlations will be added into proposal

CM 6130

- Moved to agenda next week for second read

COM 5100, 5490, 5900, 6440

- Two new courses, two revisions
- No executive summary
- 5000 level courses part of the certificate
- 5490 is new course, 5100 and 5900 are title changes
- Need further clarification – how do these courses impact the certificate
- Need executive summary by Friday to determine if a program change is needed
- Department will be contacted
- Moved to January Agenda
- COM 6440 needs further clarification about how this course is inherent in the discipline. Should leadership teach this? Another discipline?
- Also needs more detailed outline of qualifications to teach on proposal.

Computer Science, MS

- We need further clarification on how these proposed changes impact the program
- Can be moved to agenda next week with an acceptable clarification

New Dance Courses

- Syllabi are brief
- Course syllabi are not consistent with delivery method listed in the program proposal
- Special meeting requested with those proposing to answer questions

Healthcare Management and Infomatics, MS and HMI Courses

- Converted 4 courses into HMI courses to be aligned with rule about percentage of courses that can be offered in another program
- Issues noted with Programming in Java course
- Proposed meeting to discuss issues with the Executive Committee
- HMI 8900 moved to next week agenda, rest delayed
- Meet with Sheb and Sweta before the 12th

INED Courses
